

VersaLED WARRANTY

Lighting

Any component of our VersaLED line that fails due to a manufacturing defect, will be replaced within 5 years of the invoice date. Replacement will be for the failed component or a new unit at EELP's discretion. All defective units are subject to manufacture testing. Should any failed unit be found defective from misuse, improper installation, or faulty wiring, no credit will be issued. Under no circumstance, will EELP be responsible for back charges of any kind, including, without limitation, labor charges, equipment rental fees or late penalties unless prior written approval has been given. To activate the warranty, the product must be installed in a timely manner and maintained properly. Damaged products must be reported to EELP, in writing, within 10 days of the invoice date.
